

ISONG

is an inclusive professional group serving the nursing profession and the public.

Internationally, nurses are engaged in genetic and genomic healthcare at all levels of policy, education, research, and clinical practice. We welcome new perspectives and relish the opportunity to have new members join us in shaping the future. **We invite you to join ISONG today!**

Our Vision

To care for people's genetic and genomic health throughout the lifespan and across the continuum of health and disease.

Our Mission

To serve both the nursing profession and the public. ISONG fosters and advocates for the scientific and professional development of its members and the nursing community, in the discovery, interpretation, application, and management of genomic information, for the promotion of the public's health and well being. ISONG advocates for public understanding of genomic health and use of genomic information.

International Society of Nurses in Genetics

The International Society
of Nurses in Genetics
ISONG

is a global nursing specialty organization dedicated to genomic health care, education, research, and scholarship.

Membership Benefits

- ◆ Opportunities for continuing education, mentoring, professional development and networking with genetic nursing colleagues from 13+ countries. .
- ◆ Access to late-breaking genetics research, educational programs, job opportunities, and research grant applications.
- ◆ Patient education tools, teaching resources, and webinars.
- ◆ Access to members-only portal: opportunities for collaboration and member directory/profiles.
- ◆ Reduced registration fee for the annual ISONG World Congress on Nursing and Genomics.
- ◆ Incredible leadership opportunities including positions on the board of directors and committees and frequent collaborations with global professional, regulatory, policy, and government organizations.
- ◆ Educational webinars are offered at a reduced rate with continuing education credits, the ease of programming at your convenience, and evidence for appraisals.

Annual Congress

The ISONG World Congress is the premier educational event of the year for nurses in genomics worldwide. During this exceptional program, attendees will participate in presentations that support them in their quest to be leaders and innovators in the growing field of genetic and genomic nursing science.

Congresses are traditionally held during the last week of October or the first week of November. Past locations include Dublin, Ireland, San Diego, California, and Montréal, Québec. Our upcoming congress will take place:

**October 26-28, 2018
Doubletree by Hilton Orlando
Orlando, Florida USA**

Join us!

Member level	1-Year	3-Year
Full	\$150	\$350
Retired	\$100	\$250
Affiliate	\$100	\$250
Student	\$100	N/A

Committed to diversity and inclusion, ISONG offers a reduced 1-year membership rate for those in developing countries based on the world based economic index. Visit www.isong.org for more information.
